Sanction is requested to the appointment of 3 Staff Officers for the 3 Divisional Wardens on a pay of Rs. 50/- plus a C.A. of Rs. 20/-. in the circumstances stated.

For the Southern Division, the Name of Mr. Dorlan is suggested. Since he is an Officer in the Executive Dept. the Chief Warden wants his services to be lent to the ARP Organisation from the Executive Dept.

Submitted for perusal and orders whether the posts may be sanctioned. The appointments may perhaps be made by the ARP Controller in consultation with the Chief Warden.

If the above proposals are approved, the DPI has to be addressed in the matter of lending the services of Mr Dorlan.

I have the honour to forward herewith copy of a letter from Rajadharmaprasakta K. Shankaranarayana Rao, M.A.,B.L., Chief Warden (A.R.P.) Bangalore City dated 4th August 1942 in the matter of appointing a Staff Officer to each of the Divisional Wardens in the City. I agree with the Chief Warden that there is immediate necessity for such appointment. Two of the Divisional Wardens are busy legal practioners and the third is a busy Medical practioner. Though the legal practioners could find some time to devote to A.R.P. during the vacation for Civil Courts they are finding it difficult to do so after the courts reopened. The A.R.P. work is consequently suffering. As an instant in point I may mention that the information called for in the two circulars enclosed is yet to be gathered from the Division though it is most necessary for organising and consolidating A.R.P. work. The Divisional Wardens say that it is impossible for them to devote the necessary time and attention in the absence of a Staff Officer.

A great deal of valuable equipment has been distributed now to the several sectors and consist of

P.T.O.

Stirrup Pumps, buckets, Steel helmets, torches, Staves etc. and there will have to be constant check and about their proper distribution and preservation. These require the services of a whole time officer who will assist the Divisional Wardens not only in office work and the maintenance of accounts but in the inspection and in the checking of stores of the sector offices. I recommend therefore that a Staff Officer for the Divisional Warden may be appointed on the anology of a paid Warden proposed for the sectors. As to his pay, it may be fixed at Rs.50/- with a Conveyance Allowance of Rs.20/-. Suitable persons, preferably already in Government employment, with ministerial and executive experience will be selected for the post. So far as the South Division is concerned, the Divisional Warden has already recommended (and the Chief Warden supported the recommendation) that Mr. S.R. Dhavlur may be appointed Staff Officer for the South Division. He was an Assistnt Master in the Government Institute of Commerce and Accountancy and is now a clerk on Rs.45/- in the Office of the Inspector of Commercial Education. He has been working voluntarily in the A.R.P. Divisional Office for the last 5 months and has been of immense assistance to the Divisional Warden. I agree with the Divisional Warden and the Chief Warden that he would be the most suitable choice as Staff Officer for the South Division. These recommendations may kindly be sanctioned.

I have the honour to be,
Sir,
Your most obedient servant,

A.R.P. CONTROLLER,

Letter dated 4th August 1942 from Rajadharmaprasakta K.Shankaranarayana Rao, M.A.,B.L., Chief Warden (A.R.P.) Bangalore City to the A.R.P. Controller, Bangalore City.

I am forwarding herewith a letter addressed to me by the A.R.P. Divisional Warden, Southern Division pointing out the need for the appointment of a Staff Officer to help each of the Divisional Wardens of the Bangalore City and also recommending the name of Mr. S.R.Davlur for such a post for his Division.

I have great pleasure in whole-heartedly supporting the suggestion of Mr. P.Sivasankar, as I am aware of the large volume of work that each Divisional Warden has to tackle, and that work is daily on the increase. Such a Officer would not only be in a position to relieve the Divisional Warden concerned of a large volume of work which he has been finding more and more difficult to cope with, every one of them being professional gentlemen, but would also be in a position to consolidate the work done so far, and also to offer helpful suggestions for the improvement of the work. Such a whole-time post is an urgent need in each Division.

As regards Mr. Dovlur's suitability for such an appointment also, I entirely agree with Mr. Sivasankar. I have known Mr. Dovlur for many years now as a sincere and hard-working scouter with the true spirit of service in him, and from personal knowledge I am in position to testify that he has been doing very good A.R.P. work.

In these circumstances I request you to kindly take all necessary action to give effect to both the suggestions contained in the Divisional Warden's letter and also to treat the matter urgent.

As Mr. Dovlur hapens to hold a substantive appointment in the Education Department and is now on leave, it appears to be necessary to request the Director of Public Instruction in Mysore to lend his services to our organisation.
